Online Instructions for Membership (returning and new members)

1-Complete all of your required information along with your parent's information. Once complete the online program will create a National Membership Application and a National Minor's Release Waiver of Liability which both need to be printed off, signed, notarized and uploaded back onto your portal page.

You will pay your national membership online (\$101.41) as you complete the application process. This is mandatory in order to finish your paperwork. Your NDJHRD state fees will be paid by check/cash at first rodeo of the fall season.

2-Print off the North Dakota Junior High Rodeo Division paperwork that is found on the Membership page on the ndjhrd.com website. These forms need to be completed (the ND Waiver of Liability form also needs to be notarized) and uploaded to your portal page.

3-When uploading your documents, there is a documents section towards the bottom of your portal page where you upload your documents. There is a specific dropdown box that you need to select when uploading your National Membership Application and one for your National Waiver. **In regards to the State Forms, you can scan all state paperwork into one document and upload it to your page.**

Your membership is not complete nor will you be able to enter any rodeos until your forms are uploaded and verified as complete. You will pay the \$40.00 state membership fee (payable to NDJHRD) at the first rodeo of the season. Be sure to bring a check/cash for your membership and a check/cash for your fees.

In order to enter the CDRC Jr High Rodeo, all membership forms must be uploaded to your portal before the rodeo can be entered. The State and National offices will then process and approve the application and additional documents. Please begin this process ASAP so you do not miss the rodeo entry deadline.
